Engaging communities in Harare to create an enabling environment for walking and cycling

PRESENTED BY: Judith Mujegu
Chief Public Transport Planner
July 2024
Challenges

- Congestion
- Informal modes of transport
- Air pollution
- Illegal vending on streets and pavements
- Inadequate Cycling and Walking infrastructure
Stakeholders

City of Harare - Traffic and Transport Section (Department of Works)

Active mobility Group in Harare (Civil Society, NGOs, Private Sector, City Admin, Cycling Clubs, Skaters, environmental groups, safety roads organisations, artists.)
